There's a reason for all that rhymes,  
it's the fact and the way of the times  
It's moving emotion, its high and it's  
low, no matter where you go  
There is something for all who look,  
there's a story in every book  
All of the pages, between all the lines,  
so much that you can find

Kansas

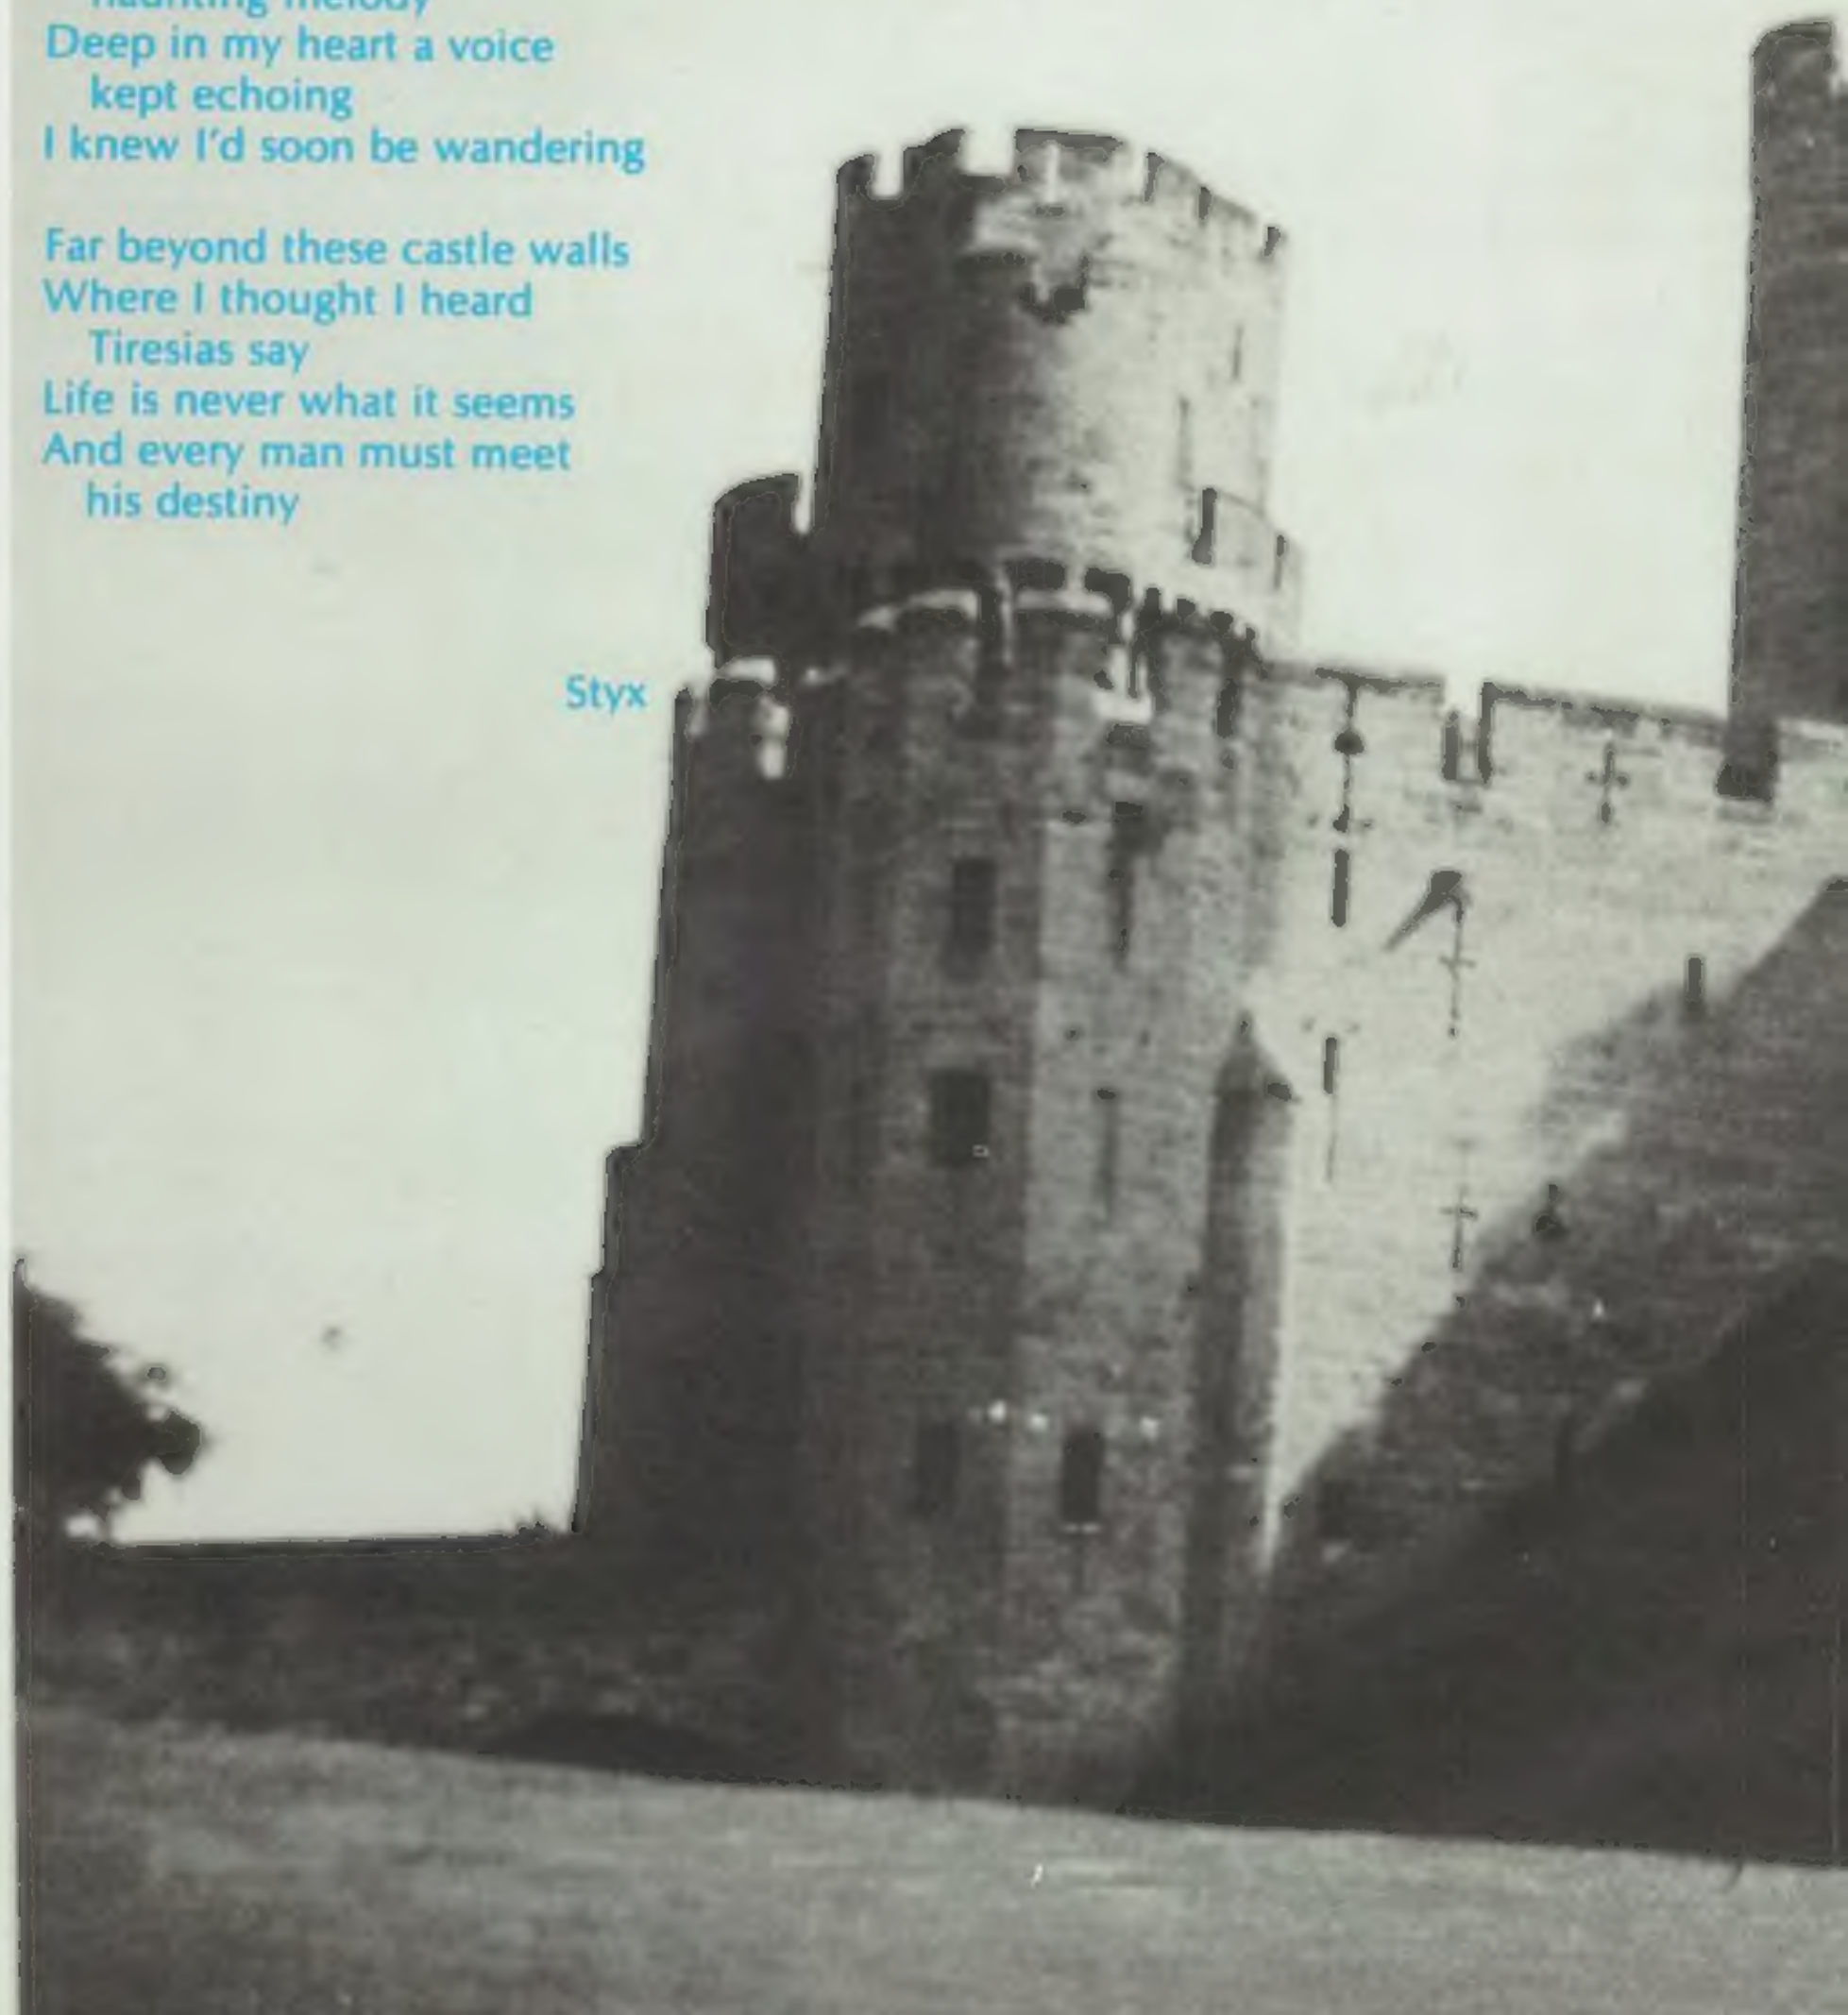

Once in a dream  
Far beyond these castle walls  
Down by the bay where the  
Moonlit water falls  
I stood alone while the  
    minstrel sang his song  
So afraid I'd lost my soul

There in the fog his song  
    kept calling me  
Leading me on with its  
    haunting melody  
Deep in my heart a voice  
    kept echoing  
I knew I'd soon be wandering

Far beyond these castle walls  
Where I thought I heard  
    Tiresias say  
Life is never what it seems  
And every man must meet  
    his destiny

If you think that life has passed you by, or, even worse, that you are living someone else's life, you can still prove the experts wrong.

Dr. George Sheehan

I say, how can you say,  
Where I'll be from day to day  
When I don't even know myself?  
But the life that I lead  
Is so full of mysteries.  
That's why I'm always on my way,  
And I'll be running like the wind.

There is a lot of love and support for the students in the school. The teachers are very caring and the students are very friendly. The school is a great place to learn and grow.

Well I walk the road of life among the  
strong among the weak  
And I ask them for the shortcut to the  
answers that I seek  
But it seems nobody understands what  
is and what will be  
Oh, the questions of my childhood  
weave a web of mystery

Karlids

Listen if you can to the person you are  
and can be. Then do what you do best  
and feel best at. Something you would do  
for nothing. Something that gives you  
security and self acceptance and a feeling  
of completion, even moments when you  
are fused with your universe and your  
Creator. When you find it, build your life  
around it.

Dr. George Sheehan

I am who I am and can be nothing but that  
Do not mistake me for someone else" said  
Nietzsche Do not mistake me for a listener or  
citizen or friend And when I get that look in  
my eye that says I'm going "away", do me a  
favor Let me go

## A Memorial To . . .

Vincent Settlemyre

November 1, 1974

December 22, 1979

As a class advisor, it is always good to see students start as freshmen and mature into seniors. Each class has a certain personality. The personality of the class of "1980" was one of independence. When a job had to be done, they did it. I thank you, especially the class officers and class council. My advice to you is to compare life to a big game made up of ever changing smaller games — play it and them well!

*Curtis F. Miller*

1980

The seniors chose this design created by Mindy Eshelman for the class flag. The colors of the flag are dark green, light green, and cream. The theme "The Beginning" was chosen because the year nineteen eighty is the beginning of a new decade and the beginning of a new way of life for the graduates.
